- Currently not a member of any groups, disappointed to be on their own here as had only just heard today there would be a meeting – it was felt that it should be published in a better way so new residents are made aware. It was published in the chimes and on the website. It was suggested that a strongly worded note be put in the chimes.

- Mr Senior was contacted by a resident of Evershot regarding a cricket match in Evershot – it was suggested that residents contact Mr Senior if they wish to join in – this offer is to men, woman, and all children.
