

MELBURUY OSMOND VILLAGE HALL  
CHAIRMAN'S REPORT 2022

The Hall has not had many bookings in the last year because of covid.

There is an art group meeting each Tuesday .Coffee morning the first Thursday of each month and a social evening the last Friday of the month,The October evening had a Halloween theme which was very popular, The highlight of the year was our seasonal quiz night held in December.Always a great success .

As usual repairs and maintenance are ongoing . Fire extinguishers are checked every year and this year they have been renewed. The hall has had an EICR test(electrical installation condition report) this was carried out by D.L.Crease and passed with a few recommendations .

The flat roof leaked and lead flashing had to be replaced .This caused damage to the kitchen ceiling The kitchen walls have now been lined with Stormclad and the ceiling fixed. The ladies cloakroom has also been lined with Stormclad. The porch apex fascia has been repaired, and the porch and main door re-painted. The new flagpole is now in use, and at the moment is flying the Ukrainian Flag

To find funds to keep the Hall going we need lots of support, both manual and financial.

I would like to thank everyone for their help, the committee members and non-committee members.

The Secretary, John Danks, has stepped down. He was a great help in the last year, and we will miss him.

So many of us are coming to an age where we would like to take a back seat, so hopefully looking forward to some young blood to take over the reins.

I will be stepping down as Chairman at the 2023 AGM.
