

The Sherborne Food Bank collection in the church for the three months to the end of June was £529. Our contribution is much appreciated and there is a letter from the Chairman of the Trustees thanking us. It is pinned on the notice board in the church.

If you wish to see what they do for the local community, apart from providing food parcels for those in need, please visit their website

<https://www.sherbornefoodbank.org/>

You may also wish to help them by volunteering but please continue your generous contributions, if possible, by using the envelopes in the church by the collection box.

*Thank You*
